

We made valentines for the veterans. We used paints, tissue paper and glitter to decorate them. We also made tie dye ones with baking soda and dyed vinegar!

In Miss. Jess' class, we sorted candy hearts by color using a bar graph!

We celebrated National Bubble Wrap Day by doing the Penguin Dance by Jack Hartmann and popping the bubbles!

Happy  
100  
Days!

For the 100<sup>th</sup> Day of School, we played with 100 of each toy item. We balanced teddy bears, made numbers with gears, counted linking cubes and counted popcorn toys. We even used 100 popsicle sticks to make robots, numbers and letters!

The children stacked 100 cups and counted by tens with chick peas. We even dressed up like a 100 year old!
